# A Beautiful Smile For a Lifetime

DR. GLENN H. NORTON

## Our Services:

Cosmetic dentistry is dedicated to restoring oral health and enhancing the appearance of smiles. Advanced cosmetic dentists like Dr. Norton offer the following services:

- Porcelain Veneers
- Zoom! Teeth Whitening
- Implant Dentistry
- Bridges and Crowns
- Dentures & Partial
- Dental Bonding
- Tooth Colored Fillings
- Preventive Oral Care

Dr. Norton is devoted to helping you keep your teeth for a lifetime.

If you don't have the time or financial resources to devote to your treatment all at once, Dr. Norton offers the convenience of "phased dentistry." He can perform portions of your treatment over a period of time, and you can take your journey to a new smile in several small steps.

*"When I got engaged, I wanted to have a pretty smile for my engagement and wedding photos. Through direct bonding, Dr. Norton totally transformed my teeth. I absolutely love my new smile!"*

Lacey  
Carmi, IL

*"When I was younger, I fractured some of my teeth while playing sports. My teeth worked fine, but they were just never very even. Dr. Norton changed all of that with a set of new veneers. I've gotten so many compliments on my new smile!"*

Mike  
Evansville, IN

*"I was unhappy with my dull and uneven teeth. After Dr. Norton placed porcelain veneers and whitened my teeth with Zoom, now I have an awesome smile!"*
