For Your Digestive Health

GASTROENTEROLOGY ASSOCIATES

OUR PHYSICIANS

The practice was founded in 1971 as a single physician practice and has steadily grown through the years to be the area's largest Gastroenterology practice. All of our physicians are board certified in internal medicine and Gastroenterology and provide complete consultative services involving diseases of the digestive organs.

WILLIAM F. JOHNSON, MD, FACP • J. DENNIS GULETZ, MD, FACP
 CESAR A. BELLO, MD • JOSEPH H. HASEMAN, MD, FACP
 GARDAR GISLASON, MD • DONALD M. BAILEY, MD
 VAJRAVEL M. PRASAD, MD • SRINIVASAN DUBAGUNTA RAO, MD
 MICHAEL B. RUSCHE, MD

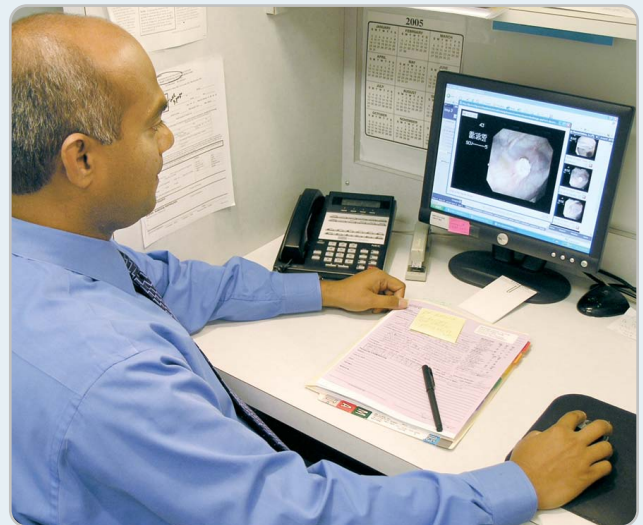

RELATED DISORDERS

Our Gastroenterologists treat a variety of disorders related to the digestive system including:

- Gastroesophageal reflux disease (GERD)
- Dysphagia (difficulty swallowing) • Abdominal Pain
- Ulcers • Nausea • Rectal Bleeding
- Chronic Constipation • Chronic Diarrhea
- Diverticular Disease • Colitis • Polyps
- Liver Disease • Jaundice • Hepatitis

ABOUT US

Gastroenterology Associates is the area's largest single-specialty group physician practice dedicated to the diagnosis and treatment of digestive disease and illness. Our physicians' top priority is to provide patients the highest quality of care in a friendly and patient-centered environment. In addition to our physician practice, in the same building we have our own Medicare-Certified ambulatory surgery center dedicated solely to providing gastroenterological care.
