**YOUR BEST IS YET TO COME**

The Medical Cosmetic Center is a very special medical practice dedicated to the overall practice of cosmetic enhancements, offering plastic and reconstructive surgery as well as simple, noninvasive in-office procedures. We specialize in making our patient's look and feel more beautiful.

# Your Best is Yet To Come

## MEDICAL COSMETIC CENTER

### OUR PHYSICIANS & STAFF

We're proud to have the Tri-State's only female plastic surgeon, **Dr. Alina Sholar**, specializing in breast reconstruction after cancer, breast augmentation, breast lift and reduction, facelift, brow lift, nose reshaping, eyelid surgery, liposuction, tummy tucks and body contouring.

You'll look beautiful and feel beautiful. And, you'll feel comfortable discussing your options like breast augmentation with Dr. Sholar. It can give you a more flattering figure, help you look great in your clothes and enhance your confidence and self esteem.

The Medical Cosmetic Center also offers complete skin care like microdermabrasion, Botox® and laser hair removal – solutions so you can look and feel your best.

**Currently, Dr. Thomas Hastetter is the only physician in the area who has reached Gold status with Allergan Pharmaceuticals, the makers of Botox®.** By reaching Gold status, it made him the most experienced physician in the Tri-State area with Botox®.

Medical Cosmetic Center is dedicated to providing the most superior quality of cosmetic procedures and services in a warm and compassionate atmosphere. A healthy approach to an individual's lifestyle and beauty is encouraged at the Medical Cosmetic Center. Our objective is to provide patients with a discrete and personal medical relationship, being sure to address individual needs and goals.
